I confirm that I have read, understood, and agreed to the conditions outlined in this job offer. I agree to adhere to all Geovisions and Department of State program rules regarding employment and program participation, including the Terms and Conditions which were part of my program application. If I change jobs without receiving prior permission from Geovisions, or if I violate other Geovisions rules or J-1 program regulations, Geovisions may end my program early, and I will be required to return home. I understand that if my program ends due to regulation violations it may have a negative impact on future U.S. visa applications.

Section 1

HOST ENTITY INFORMATION

Entity name	Clarks Market Crested Butte
Description	<p>The mix of products in Clark's Market now reflects 40 years of that business practice. Tom Clark put the strategy to use several times over, as starting in the early '90s he began purchasing other small grocery stores on the Western Slope of Colorado and in Utah and Arizona. With locations now in Snowmass Village, Crested Butte, Telluride, Norwood and Blanding, Utah, Clark's continues to expand their family focused brand. In the summer of 2017, Clark's opened its newest store in Sedona, AZ.</p> <p>Each store has its own personality, based on the community where it resides. In resort communities, Clark's is known as a conventional grocery store that emphasizes natural, organic and gourmet products. In the more rural country stores, Clark's is a conventional store that gives people the product mix that they need, and products that help them stretch their dollars as far as they can. It's important for us to listen to</p>

	people, keep our ear to the ground and make sure we're giving people the products they want, Clark says.
